Name (Dependent) _____ D.O.B. _____

MEMBERSHIP REQUIREMENTS

Southeast Florida Trail Riders (SEFTR.ORG) is a non-profit off-road motorcycle & ATV club. It is only by the work of our members that we can enjoy trail riding and other club activities. FTR membership is required by at least one member of the family. By joining SEFTR you are making a commitment to do your part to help out in our club endeavors. This can and does include creating/maintaining trails, promoting events, working events, camping out, and administrative tasks. Each year our goal is to host a competitive off-road motorcycle/ATV event in conjunction with Florida Trail Riders. Through this we raise money for various charities. New members will be under probation for a period of one year. All membership applications must be approved by a unanimous vote by the board of directors. Any membership can be revoked at any time. SEFTR conducts monthly BOD or Club meetings in which your participation is appreciated and to be announced.
